What other students have said:

'It's lovely to have something outside of university to go to, as your world can become quite small as a student. When it felt like my studies were taking over my life and it was all becoming too intensive, it was great to be able to come to church and be at peace.'

'I think one of the best things about Ascension Church is that they are the most humble and unassuming bunch of people I have ever met.'

'I've not found that much love in my life, then I found a whole building full of people who love!'

SINGERS WELCOME!

We have a great choir who sing a wide range of modern songs & hymns

(practice 7-8 pm Fridays)
